Violation No. **E1430934** Loc. Code **A107**
STATEMENT OF PROBABLE CAUSE
 (For issuance of an arrest warrant or summons)

I state that on December 31, 2022, while exercising my duties as a law enforcement officer in the District of Arizona in Grand Canyon National Park

At approximately 16:35 hours Ranger Hassell observed fresh tire marks leading south into the woods on State Route 64 near No Name point. While turning around, Ranger Hassell observed two pickup trucks with each truck bed full of cut wood in No Name pullout on State Route 64. This area is within the jurisdiction of Grand Canyon National Park. Ranger Hassell then returned to the observed tire marks and located approximately 500 yards south of the road evidence of recently cut trees. Approximately 10 minutes, Ranger Hassell located and contacted the parties associated with both pickup trucks parked in the Desert View Parking Lot.

I identified the driver of one of the pickup trucks as Harold MCCABE III by his Arizona ID card. MCCABE had bloodshot, glassy eyes and his speech was mumbled. I could smell the odor of an alcoholic beverage emanating from his person. MCCABE stated he had consumed three Mikes Hard Lemonade drinks. MCCABE made a statement, when asked about driving, to the effect of all the way through, pretty much cut the wood we needed and all the way back to Officer Riese.

Violation No. E1430903 Loc. Code A107
STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on December 31, 2022 while exercising my duties as a law enforcement officer in the District of Arizona in Grand Canyon National Park:

I state that at approximately 1630 hours, I, Officer Emily Hassell, was driving eastbound on Highway 64 near approximately mile marker 262 when I observed tire tracks on the eastbound side leading back into the trees. I turned into NoName Point to safely turn around and noticed two pickup trucks, one black-like in color, filled with wood and covered with red mud. I returned to mile marker 262 and followed the tracks approximately 500 feet into the woods where I observed what appeared to be freshly cut Juniper trees, drag marks, and broken tree pieces littering the ground.

I returned to NoName Point to locate the vehicles; they were no longer present. I located the two vehicles in the Desert View Watchtower Parking Lot and approached the black-like vehicle. I contacted Harold MCCABE, who was sitting in the driver's seat, identified him by his Arizona driver's license and verified through dispatch.

I informed MCCABE that his tires appeared similar to the tracks left in the snow. I asked where he had obtained the wood in his truck - wood that appeared to be Juniper tree logs. MCCABE gave vague answers but eventually noted that the tracks in the snow were from his group and that he had gotten the wood in the park.

MCCABE and one of his passenger's showed me the axes and chainsaw they used to cut the wood.

I issued MCCABE a U.S. District Court Violation Notice possessing, destroying, injuring, defacing, removing, digging, or disturbing from its natural state: plants or the parts or products thereof per 36 CFR 2.1(a)(1)(ii).

I recorded the incident with my department-issued body-worn camera.
